- 11.2.3 Determination of sides for Advanced Round shall be decided as per Rule 10.5.
- 11.3. Assessment Criteria
- 11.3.1 The scoring and tabulation for the Competition shall be based on a Round Points system. The team with the higher number of Round Points wins the round.
- 11.3.2 Round Points system for preliminary rounds
1. Each preliminary round will be decided on a scale of 6 Round Points, with 3 Round Points allocated to the Oral Rounds, and 3 Round Points allocated to the memorial scores.
  2. Memorials of each team will be marked by 3 judges with each judge giving a score out of 100. Therefore, each team's memorial will have 3 scores: a highest score, a middle score and a lowest score.
  3. In each round, the highest score of the Claimant's Memorial will be compared with the highest score of the Respondent's Memorial; the middle score of the Claimant's Memorial will be compared with the middle score of the Respondent's Memorial and the lowest score of the Claimant's Memorial will be compared with the lowest score of the Respondent's Memorial. If scores being compared are the same, then each team will be awarded 0.5 points for each comparison.
  4. For scoring higher in each of the above comparisons made, a team will get 1 Round Point. A total of 3 Round Points can be won for the memorials in each round.

*Illustration: In a round between Team 1 and Team 5, if Team 1 scores more than Team 5 in all the three comparisons, then Team 1 gets 3 Round points with Team 5 getting zero Round points. If Team 1 scores higher than Team 5 only in two comparisons then Team 1 gets 2 Round Points and Team 5 gets 1 Round Point.*

In the Oral Pleadings each of the 3 judges' scores out of 200 for the two teams will be compared and a round point will be awarded. A total of 3 Round Points can be won in the Oral Pleadings in each round.

## RULES OF THE COMPETITION

- 11.3.3 For the purpose of the Advanced Rounds, the memorial points will not be taken into consideration. Each Advanced Round will be judged by three (3) Orals Judges, each of whom shall award a maximum of 2 Round Points. The team with the higher total marks on a particular Judge's score-sheet will be the winner on that Judge's score-sheet. The winning team on a particular judge's score sheet shall be awarded 2 Round Points for that judge. In case of a tie between the two teams, each team shall be awarded 1 Round Point for the concerned Judge. Thus, every Advanced Round will have 6 Round Points allotted to the orals.
- 11.3.4 The round winner will be determined on the basis of the Total Round Points (out of 12). In case of a tie, the following criteria shall be used to decide the round winner:
1. Teams tied on the Total Round Points shall be separated on the basis of the win-loss record in the Preliminary Rounds;
  2. If the round points and win-loss record is identical, the cumulative scores awarded for the Oral Rounds shall be used to break the tie.
  3. If the teams have the same cumulative points, the same number of wins, and also the same cumulative Oral Rounds marks, then the team with the higher net memorial score, i.e., the score of the memorials after deducting penalties, shall be ranked higher.
- 11.4. Top two (2) teams in each of the 4 groups in the seeding match-up will qualify for the Advanced Rounds of the Competition. The fixtures for the Advanced Rounds shall be determined as per the rule mentioned in 10.2.2.

### 11.5. Determination of sides in the Advanced Rounds

If two teams in the Advanced Rounds have earlier argued against one another in the Preliminary Rounds, they will argue for the opposite party in the Advanced Round. If they did not argue against one another in the Preliminary Rounds, the determination will be by draw of lots. If two teams in the Advanced Rounds have in the preceding rounds argued in favour of one party, they will argue for the opposition party in the subsequent Advanced Rounds. If both teams argued for the same side in such preceding round, the decision will be determined by a draw of lots.
